

The Republican Club of Timber Pines

Chartered by the Executive Committee of the Republican Party of Florida

Our Mission:

The Republican Club of Timber Pines exists to foster knowledgeable, active participation in the local, state and national political processes by all residents of Timber Pines, while promoting and supporting Republican ideals, programs and candidates.

Our objectives:

To support the principles, objectives, and platform of the Republican Party and to help secure the election of all Republican candidates in the General Election and registered Republicans in non-partisan elections.

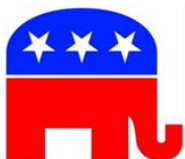

To inform Timber Pines residents on issues relevant to local, state and national political processes and elections by promoting information interchange with knowledgeable guest speakers and distributing appropriate literature.

To provide our members with opportunities for social interaction and discussion with fellow Republicans and political figures as well as with practical means for constructive interaction with all elements of government.

As Republicans We Believe –

- ◆ That the only way to live free from foreign aggression is to maintain peace through strength.
- ◆ That the safety net for our seniors must be preserved for today's beneficiaries as well as for the generations that follow.
- ◆ That students must be challenged to learn in a school environment that is safe for both students and teachers. Parents must be offered more opportunities for school choice.
- ◆ That Americans should keep more of what they earn through lower taxes and that tax policy should not suppress incentive by penalizing success.
- ◆ That the needs and rights of law-abiding citizens must take precedence over those of criminals.
- ◆ As our forefathers before us, that God was a major factor in the creation of this nation, and efforts to remove Him from the relationship between our citizens and their government must not be tolerated.

The Club's monthly meetings feature guest speakers who provide facts and insightful perspectives relevant to upcoming elections or issues under active consideration by local, state or national governmental bodies. We also sponsor periodic social events that provide members opportunity to get to know fellow Republicans (that make up about 60% of Timber Pines residents) better in a pleasant, fun environment.

Members must be registered Republicans (may be in another state), and reside at least part of the year in Timber Pines. "Snow Bird" members are welcome. All Timber Pines residents, Irrespective of political affiliation, are welcome to attend information sessions as guests of the club.
